**MORGAN CITY POWER BOAT ASSOCIATION  
P. O. BOX 3526  
MORGAN CITY LA 70381**

You may or may not be aware that the Morgan City Power Boat Association has been chosen to host the 2009 Atchafalaya World Inboard Powerboat Championship Regatta. While this race is similar to the previous races held on Lake Palourde, it is the first time this prestigious event will come to Morgan City. Racers in 14 inboard classes from around the world will be invited to take part in this event.

This is a large undertaking for the Morgan City Power Boat Association and monetary help is greatly needed. These races take a budget of over one hundred fifty thousand dollars (\$150,000.00) to be run correctly. While we receive help from the City of Morgan City, St. Mary Parish, St. Mary Parish Office of Tourism (Cajun Coast) and Louisiana Office of Tourism, the club still needs to raise over \$75,000.00

This weekend will bring a Seven hundred fifty thousand dollar (\$750,000.00) economic benefit to the parish.

Please see the attached **SPONSORSHIP OPPORTUNITY PACKAGE**. Anything you can do to help will be greatly appreciated.

Checks should be made to Morgan City Power Boat Association, P. O. Box 3526, Morgan City, LA 70381. Should you want to talk to me, I can be reached at 985-498-2926.
